Professional Summary

Postgraduate student with hands-on experience building web and mobile projects. Familiar with Python, SQL, React, FastAPI basics, deployment workflows, debugging, and problem solving. Strong academic foundation in Artificial Intelligence, Data Science, and practical software development.

Education

St. Joseph's College (Autonomous), Tiruchirappalli	2025 – Present
M.Sc Artificial Intelligence (Expected 2027)	
Thiagarajar College, Madurai	2022 – 2025
B.Sc Data Science	65.06%
St. Mary's Higher Secondary School, Madurai	
Higher Secondary (12th)	2021 – 2022 78.33%
SSLC (10th)	2019 – 2020 85.00%

Projects

PrepMind AI | Learning Platform

Live Demo | GitHub

- Built a web-based learning platform with quiz generation, progress tracking, and user workflows.
- Worked with React frontend, FastAPI basics, and Supabase database integration.
- Assisted deployment workflow using Vercel and Render platforms.
- Gained practical experience in authentication, APIs, and project debugging.

Daily Spark | Productivity Mobile Application

GitHub Repository

- Developed offline-first mobile application for habit tracking and streak management.
- Implemented reminders, local storage, notifications, and backup/restore features.
- Improved user experience through testing, debugging, and release updates.

Technical Skills

Languages: Python, SQL, JavaScript (Basics), HTML, CSS

Frameworks: React, React Native, FastAPI (Basics)

Tools: GitHub, Supabase, Vercel, Render, Excel, Google Colab

Concepts: APIs, OOP, Deployment, Debugging, Data Analysis

Soft Skills: Communication, Teamwork, Leadership, Problem Solving

Leadership & Achievements

- Event In-Charge - Treasure Titans, AION 2K26; coordinated event operations and execution.
- Winner - Quiz Event, BOOTFEST-2K26.
- Runner-up - Capture The Flag (CTF), BOOTFEST-2K26.
- Winner - Achievers' Day Inter-Department Competition.

Certifications

Introduction to Machine Learning (Tamil) NPTEL Link	2026
IBM Data Analyst Professional Certificate Coursera Link	2025
Yuva AI for All (Tamil) Skill India	2025
Honors Diploma in Information Technology HDIT	2024
